- **Civil Rights For Returning Citizens -- BAN THE BOX --** *End job and housing discrimination against people with criminal records.*

- **Affordable housing for all in need!** *Fully fund first-time homebuyer assistance, rent subsidies, and the Housing Production Trust Fund. Use DC Median Income, not AMI. Public Property for Public use first. Tax exemptions and abatements for the corporate sector must yield real community benefit with take-back if they don't deliver. No more cronyism in public contracts. Restore and expand funding for childcare, adult education, job training etc.*
- **Reopen DC Neighborhood Public Schools!** *Mayoral control is a failure – Bottom up, not top down control. Shift funding from bureaucrats to students and teachers. Rehire unjustly fired teachers and staff. Limit access of military recruiters. No JROTC in DC schools.*
